ADEWAKUN OLUWADAMILARE

Ogun State, Nigeria
09017655936
oluwadamilareadewakun@gmail.com

A student and an experienced Frontend Developer adept in bringing forth expertise in design, installation, testing and maintenance of software systems. I thrive on transforming innovative ideas into seamless user experiences! I ve successfully crafted responsive and visually stunning web applications. My motivation stems from a desire to create impactful digital solutions, and I'm skilled in React, JavaScript, and CSS, ensuring top-notch performance and design. I m always eager and open to learn and push the boundaries of what's possible in the frontend world!
